

ARMOUR FOAM EDGE PROTECTOR – U PROFILE

IMPACT RESISTANT

RE-USABLE

The Armour Foam Edge Protector – U Profile is available in 2 convenient sizes – a 3in and a 4.5in inside diameter for a quick and effective solution to protect vulnerable edges such as window mullions, door frames, handrails, and more. They are made from high density foam which offers great protection from impact damage, and makes them highly reusable from project to project.
